Leading safe, sustainable care for healthier communities.

Mission

Our mission is to deliver safe, consistent, timely and high-quality health services of value to all in our communities.

Our partnerships with communities promote, protect and maintain health and wellbeing.

Our service delivery is culturally responsive and shaped by innovation, continuous improvement, sustainability and translational research.

transforming your
experience

Deliver safe quality care and positive experiences

- Show kindness and compassion, delivering personalised and culturally responsive care.
- Deliver safe, consistent, timely, high-quality care through seamless networks.
- Strengthen integrated care across all care settings.
- Build our culture of continuous improvement.
- Engage with consumers, communities and our partners.

Strengthen and promote healthier communities

- Close the gap for Aboriginal people and communities to improve equity of outcomes.
- Improve equity of outcomes for all priority populations including our culturally and linguistically diverse communities.
- Build capability in our communities and partner to create social and physical environments that promote health and wellbeing.
- Engage our communities in prevention, screening and early intervention programs.
- Enhance mental health and wellbeing of individuals and communities.
- Support people of all ages to live a meaningful and functional life, ensuring the best start in life and promoting healthy ageing.

Support and develop our people

- Plan for and deliver a workforce that meets the future needs and reflects the diversity of our communities.
- Be the employer of choice for staff who value high-quality care.
- Embed positive workplace culture valuing the wellbeing and engagement of our people.
- Equip our people with the skills and capabilities to be an agile, responsive workforce.

Lead research and innovation

- Build capacity in research aligned with clinical service planning.
- Enable evidence-based and innovative models to improve healthcare and service delivery.
- Advance and translate research and innovation with institutions, industry partners, consumers and our communities.
- Drive improvements through timely, integrated and accessible health data, information and analytics.
- Foster and facilitate an innovation culture across the organisation.

Build a sustainable future

- Build clinical service sustainability and value-based healthcare approaches.
- Plan for and deliver future-focused, fit-for-purpose infrastructure.
- Drive digitally-enabled and innovative patient care solutions and service delivery.
- Pursue environmental sustainability across the organisation.
- Strengthen financial sustainability now and plan for the future.
